PROFILE

ABOUT PLATINUM

Platinum Event Management, Production & Digital Solutions was founded in 2009 and has grown to become a reputable player in Saudi Arabia and throughout the Gulf region To meet the demands of Saudi Arabia's 2030 Vision

At Platinum, we don't just plan events — we create moments that leave a lasting impact. As a premier event management and production company, we specialize in crafting immersive, unforgettable experiences that reflect the unique vision and identity of each client. From concept to execution, we deliver flawless events — whether corporate, luxury, or entertainment-focused — with creativity, precision, and passion.

But our expertise goes far beyond the event floor.

We are also a full-service digital solutions provider, offering website development, mobile app creation, social media marketing, and SEO (Search Engine Optimization) services. Whether you're launching a brand, promoting an event, or scaling your digital presence, we help you connect with your audience online and offline, driving engagement, visibility, and results.
